Hi Mike,
I have not received a summons for this case...however, I am due 3/21 so I may or may not be available if he does need me depending if I have the baby early.

Dan and Kate,
This Middlesex case has been continued repeatedly for a year and a half and is now set for 3/9/11. Kate did a bag of marijuana less than 8 grams and Dan did GC/MS on my bag of 288g of cocaine. At the beginning of the process I think both of you received summons. However, I am not sure that you both have received the most recent summons. Have you? If not, I am going to give ADA Nagengast a courtesy call and check whether he still wants you to and that his need for you hasn't slipped thorough a crack. Mike
